BRIDGE REPAIRS ON INTERSTATE 93 NORTHBOUND
VARIOUS BRIDGES FROM MASS. BORDER TO MANCHESTER

The New Hampshire Department of Transportation announces repair work to various northbound Interstate 93 bridges between Manchester and the Massachusetts state line is scheduled to begin on Wednesday, October 31, 2001.

This work will involve deck patching and joint repairs and will require lane restrictions from 9:00 a.m. to 2:00 p.m. daily until the work is completed on Friday, November 9, 2001.

Uniformed officers, warning signs and cones will be used to guide motorists through the work zones. Northbound motorists on I-93 between Manchester and the Massachusetts state line are asked to proceed with caution through the work areas.

Some delays can be expected.
